To Whom it may Concern:

As a company we have had the opportunity to work with Rocky Mountain merchandising on many occasions. We are a company that has a very short time to accomplish what we need to as a business or we fail. Rocky Mountain has had a huge impact on our success across the Nation, and in the Northwest especially. We have worked directly with Sue Hues and She and her team have always been able to give us what we need to be successful. Even when I was asking what seemed impossible they made it possible.

Rocky Mountain has incredible integrity. They have always taken care of us in every possible capacity. I would recommend them to anyone. They will help you be successful and will make sure that if you need it they will provide it for you. I give them the highest of accolades. Please feel free to contact me with any questions or concerns.

Sincerely,
